

Ana

Ana is an original character who eventually gained some influence from Neville Longbottom from Harry Potter after circumstance alting as him. Pacifistic, gentle, and a lover of flora of all kinds, Ana nevertheless has a core of iron, though it can take them some time to find it, and often comes to firmly believe that pacifism that does not stop at self-defense and defense of others is foolish. Associated with the Colin and Candace templates, their younger sibling and parent respectively.
